Workspaces designed around you

Welcome to The North Quarter.

Home to uniquely stylish private workspaces, designed to accommodate businesses from 1-50 desks.

Have your say on how long you stay and take control with all-inclusive monthly costs. We don't do small print or hidden surprises – only the good ones.

We're all about flexibility. There's a yoga studio for starters.

Your new office is waiting for you to make it your own. But whenever you'd like some company, you don't have far to go – we have a coffee lounge, breakout areas and meeting rooms.

All the amenities, all yours.

Where are we?

The North Quarter is surrounded by green spaces and boasts views of Edinburgh's iconic castle. The vibrant neighbourhood of Stockbridge is within walking distance and the city centre, just a couple of miles away.

Based in the north of the city, we're easy to get to from all directions – including the airport.

What's in the space?

Originally a stunning 1870s baronial villa, The North Quarter has been extended and recently refurbished to offer working spaces that are light, bright and a wee bit quirky.

You can make the most of:

- A coffee lounge
- Parking spaces and electric vehicle charging points
- Meeting and breakout areas
- Yoga studio
- On-site bike storage

But most importantly, a space you can call your own.

We work hard to make spaces that flex to your needs. From a single person office to space that comfortably fit over 50 people, we have a range of options to choose from.

TESTIMONIAL

Aside from the funky communal areas, The North Quarter is so close to the centre of Edinburgh, whilst still having the green space of the Botanic Gardens just around the corner. There's easy access to the motorway network and airport – it ticks all the boxes for us. The location, amongst many other things, is why we've been here for almost 15 years.

TESTIMONIAL

We chose to relocate our main headquarters to North Quarter for a number of reasons. The fit-out and atmosphere within the building fits well with our brand and the shared spaces offer excellent additional, flexible workspace for our team to make use of. One of the key drivers for our office search was parking and the provision at North Quarter is excellent as is accessibility to all areas of the city from this location.

Director, Umega Lettings.**

the place to be

FIRTH OF FORTH

 You'll find us at 496 Ferry Road in the north of Edinburgh. As we're on one of the city's key connecting roads, it's easy to get to us, no matter how you like to travel.

By road

Ferry Road is a major artery for the city, making it easy to get here by car. We're only 5-10 mins from Leith, the city centre and Barnton. Just put EH5 2DL into your Sat-Nav and you'll be here in no time.

By train

We're only a short ride away from both Haymarket and Waverley train stations. A bus from either will take roughly 30 mins and a taxi around 10. Or, if you want to stretch your legs, you can walk it in about 45 mins.

By bike

The Ferry Road Cycle Path (no. 11) is just around the corner. This old railway line links Leith and Roseburn, and gives you access to the city's extensive cycle network. Ferry Road also has dedicated cycle lanes.

By plane

It's main roads all the way from Edinburgh Airport in the west. Coming via Barnton will take around 20 mins by car.

By bus

We're well connected to several bus routes. Lothian Buses including the 8, 16, 21 and 27 can bring you here from Leith and the city centre in around 30 mins.

By foot

Within 20 mins, you can easily walk here from Leith or Stockbridge (through the peaceful surroundings of Inverleith Park). The Ferry Road cycle path (no. 11) is also well connected and off road.
